
Kadanzer Weyr Mailing Lists

October 2002

The Kadanzer Weyr has an automated process which allows members to subscribe and unsubscribe themselves from the various mailing lists available for the club. *It is the member's responsibility to subscribe or unsubscribe to the lists they choose to participate in.*

One list, our general membership list (kazlist@kadanzer.org), is a required list that every member must be subscribed too. Members are automatically subscribed to this list when they join, and are automatically removed from the list when they quit. We ask members not to tinker with their subscription to this list; unsubscribing yourself will notify us that you have decided to quit the club.

A number of other lists are available to members as an aid for storyline plotting and story writing, and even for private RPs, should list members wish. Our whole goal with these lists are to help develop a sense of community between members whose personas share Wings, weyring classes, crafts, or other important factors. However, we ask that all news and announcements be posted to the main message boards (i.e. -- all weyring class announcements, new posting announcements, etc.), as not all members may choose to be subscribed to a particular mailing list.

Existing lists are:

candidates@kadanzer.org	for members with candidate personas.
conclave@kadanzer.org	for members with Lord Holder personas.
dolphineers@Kadanzer.org	for members with personas who are dolphineers.

To subscribe to any list run by the Kadanzer Weyr, send an email message from the address you want to use to joinlist@kadanzer.org with the following text on the first line of the message body: "subscribe (listname) (your full name)". The subject line and any other text in the body of the message will be ignored.

For example, if your name is Jane Doe and you want to subscribe your address janedoe@yahoo.com to the mailing list firestorm@kadanzer.org, send a message from your yahoo account to "joinlist@kadanzer.org" whose first line reads "subscribe firestorm Jane Doe".

You will get a welcome message in a few minutes that says that you have successfully joined the list. If you do not get this message after fifteen minutes, feel free to email webmaster@kadanzer.org and tell Ron what list you want to join.

You may also use this system to unsubscribe from lists, switch from standard to digest mode, or switch back from digest to standard mode. To get instructions for this, send a message to joinlist@kadanzer.org from the address that is subscribed to the list. For the first line of the message, put "help listname".
